OBJECTIVE

Front-end focused Computer Science student with a passion for building clean, user-centered web applications. Skilled in React, Next.js, Node.js, Figma, and JavaScript. Experienced in developing responsive, accessible, and visually engaging digital solutions. Eager to grow as a front-end developer and contribute impactful products to real-world projects.

EDUCATION

BE in Computer Science and Engineering (CGPA-9.31)

2022-Present

St Joseph Engineering College, Mangaluru

PUC (PCMC) (94.83%)

2020-2022

St Michael's Composite PU College, Madikeri

PROJECTS

Grocery App – UI/UX and Functional Flow Design

2025

Self-branded | Figma

- Designed a comprehensive grocery app in Figma supporting product browsing, cart management, secure payment, and delivery tracking
- Prioritized seamless user experience, responsive design, and accessibility
- Included interactive prototypes for complete user flow simulation, from login to checkout and delivery tracking

Expense Tracker App – Full Stack Web Application

2025

Tech: React , Express, PostgreSQL, Chart.js, Recharts

- Developed a responsive expense tracking web app to manage daily expenses, organize them into categories, and generate monthly summaries.
- Implemented secure JWT-based authentication and built a REST API for seamless communication between frontend and backend.
- Integrated Chart.js/Recharts for dynamic visual reports and data export functionality (CSV/PDF) and focused on intuitive UI/UX design for efficient user navigation and financial overview .

EXPERIENCE

Intern at Experimind Labs

June 2025-July 2025

Team Lead | Tech: Figma, React, Next.js, Node.js, JavaScript

- Led a design team in creating high-fidelity website prototypes in Figma for client company Torq
- Developed responsive interfaces using React, Next.js, JavaScript, Mongo DB
- Refined UI/UX through iterative design feedback and delivered a polished, client-ready web solution

SKILLS

Programming Languages: HTML, CSS, Bootstrap, JavaScript, Java

Developer Tools: VS Code, Android Studio, Canva, figma

FrameWorks: Node.js , React.js

Soft Skills: Leadership, Team Work, Creativity, Communication

Languages known: English, Hindi, Kannada

EXTRACURRICULAR

• **Naval NCC Wing:**

Senior cadet with the rank **Leading Cadet(LC)**. Completed '**A**', '**B**' and '**C**' certificate

2022 - 2025

• **Creative team Volunteer at TEDX:**

Served as creative team volunteer at **TEDX SJEC**

2024
